

MINDS, MADE TO WORLD STANDARDS.

Netaji Subhash Engineering College

About College

Netaji Subhash Engineering College (NSEC) is one of the pioneers in the field of self-financed technical & management institutes established in West Bengal, affiliated to Maulana Abul Kalam Azad University of Technology, West Bengal (previously known as WBUT) and approved by All India Council for Technical Education (AICTE). The college is a rich repository of experienced and erudite teaching fraternity and is equipped with adequate and advanced infrastructural support. This college has the excellent track record of imparting quality education for the aspiring engineers & managers over the last twenty one years. The college practices an outcome-based teaching-learning methodology and is accredited by NAAC and NBA*. This two-decade old college has a legacy of a gamut of alumni who has made a niche for the college in this competitive era. The college continues its position in 'AA' Category as top 50 Colleges of India in NPTEL programme organized by all IITs & IISC.

Location

The College is located in the south-eastern fringes (Garia) of Kolkata Metropolis and is well connected by rail (both suburban and metro service) and road (bus & auto services) transport.

VISION

To strive continuously in pursuit of excellence in Education, Research and Entrepreneurship eventually to become a Global Hub, and offer scientific and technological services to the society.

MISSION

- To impart total quality education to develop innovative, entrepreneurial and ethical future professionals fit for globally competitive environment.
- To share with stake holders institutional experience in education and knowledge for mutual enrichment in the field of technical education.
- To create an ambience in which new ideas, research and scholarship flourish and from which leaders, innovators and entrepreneurs of tomorrow emerge.
- To contribute to the socio-economic development of the society through scientific and technological services.

College at a Glance

- NAAC accredited college and NBA accredited programmes*.
- Accredited by TCS, Capgemini & Wipro Technologies.
- Partner of Infosys Campus Connect Programme.
- Above 120 top-notch companies conduct campus recruitment every year with avg. salary of Rs. 4.5 Lakh per annum.
- Industry Readiness training on latest technologies in all semesters.
- Internship opportunities in industries.
- Career development programmes to enhance employability skill.
- Green, eco-friendly and Wi-Fi enabled campus of 2 lac sq. ft. built-up area.
- Advanced and high performance laboratories and workshops.
- Exclusive language laboratories for communication and soft skill development.
- Eminently qualified (50+ Ph. D Degree holders) and highly experienced teaching fraternity.
- Regular university toppers.
- Central Library with over 94000 books, E books and membership with IEEE.
- Active students' Tech and Cultural clubs.
- Internationally acclaimed Professional Chapters for students.
- Entrepreneurship Development Cell (EDC) & CII Innovation Club.
- More than 10,000 alumni with bright career prospect across the globe.

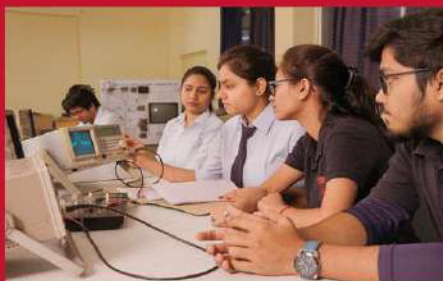

Faculty

A team of eminently qualified (50+ Ph. D Degree holders), highly experienced, research minded, dynamic and committed faculty and academic staff members in the relevant branches of Engineering, Science, Humanities & Management are the backbone of the college. The excellent academic performance of our students is due to the high degree of involvement and dedication of our teaching fraternity. The college believes in individual care and attention to the students for nurturing their holistic development. In addition to curriculum execution, the teaching fraternity of the college is regularly involved in mentoring and counseling of students from heterogeneous backgrounds to help the students to confidently confront this competitive era.

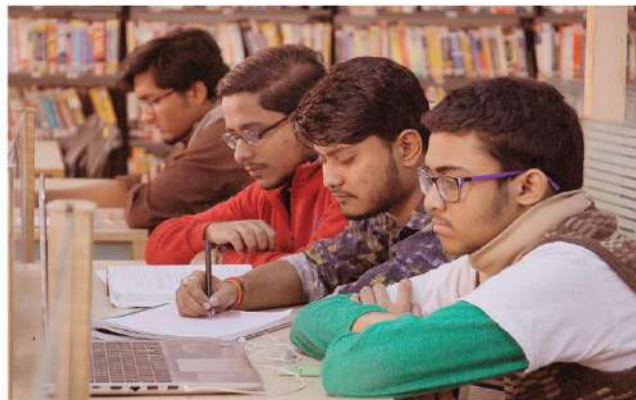

Campus Infrastructure

Green, eco-friendly and Wi-Fi enabled college campus of more than 2 lac sq. ft. built-up area. Adequate number of spacious classrooms with LCD Projectors & Wi-Fi, excellent computing facilities, well equipped workshop the state-of-the-art Language Lab. and several well-developed laboratories for all programmes.

Library

The rich & modern Central Library with over 94000 books, digital library, facility of E Books, NPTEL video lecture series by the Professors of all IITs of a volume of 8 Terra Byte, spacious reading room, Institutional membership with IEEE through which, one can access thousands of e-Journals to know about latest research papers of latest technologies.

International & National Seminars & Workshops:

International Seminars, Technical Talks, International Workshops etc. are organized in regular basis for students under professionals bodies where eminent Professors and Entrepreneurs from reputed foreign universities of USA, UK, Australia, Italy visit this college to give lectures on latest technologies and also interact with students.

Students' Achievements

Our students received accolades and awards at various International and National level Project/ Product / B-Plan Competitions on regular intervals.

Entrepreneurship Development Cell & CII Innovation Club:

We have our prestigious Entrepreneurship Development Cell (EDC), under which students are encouraged to develop innovative hands-on live projects / products funded by the institute. EDC has a tie-up with Wadhani Foundation Entrepreneurship Network (WFEN) and also with CII (Confederation of Indian Industry) for CII Innovation Club. EDC organizes Idea to Proto type competition, Innovation Challenge Competition etc. in the college premises every year.

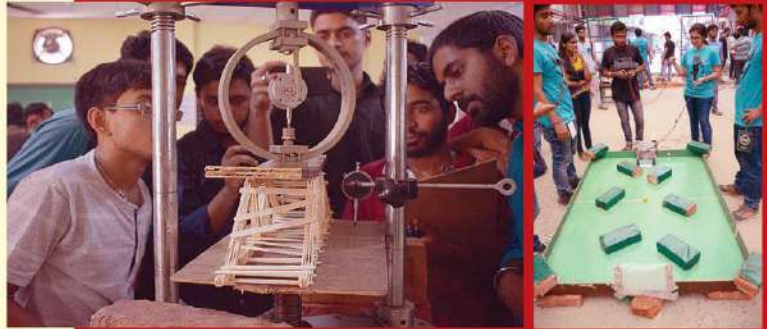

Internationally acclaimed Students' Chapters

The college also caters its students for professional association and have tie-ups with internationally acclaimed professional bodies.

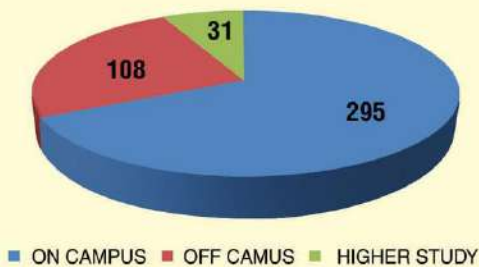

Tech Fest

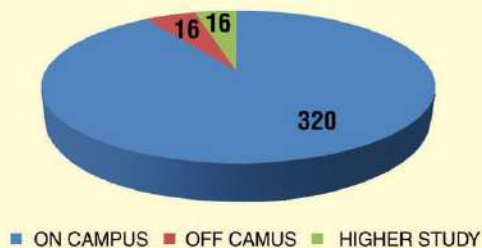

To enhance the technical aptitude among students we have our Technical Club named as Phoenix which conducts robotics & other hands-on technical events in the college. They also organize intra-college Tech Fest and inter-college Tech Fest every year.

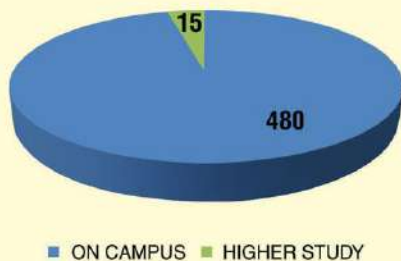

A. Y. 2017-18

A. Y. 2016-17

A. Y. 2015-16

NSEC feels proud of the 150 students from the 2019 pass out batch recruited by TCS, the No. 1 Multinational Software Company in India

Career Development Cell

A dedicated placement team functions round the year to ensure quality placement in reputed companies across the nation. Continuous training is offered to equip the students by experts comprising of in-house faculty members as well as external experts and renowned professionals. The following activities are offered to the students round the year:

- Campus Recruitment Drive throughout the Year
- Department-wise Project Based Value Added Training
- Domain Knowledge training to enhance employability
- Soft-skill training
- Several Industry Readiness Programmes
- Aptitude training Programmes
- Coding skill Enhancement Programmes
- Mock Interview Sessions
- Industrial Training for Pre-final year students
- Industry visit for students
- Back to Class Programme by the Alumni of the institute

Parital List...

So far 96 Multi National Companies including Software giants conducted campus recruitment drives for 2019 batch and offered above 1750 jobs from the Techno India Group as a whole and several other companies are waiting in queue.

Games & Sports

"Sports do not build character. They reveal it."

Physical recreation through games and sports has remained an important part of the institution since its inception. The tradition continues, as students utilizing the sports facilities excel in both inter-departmental and inter-collegiate sports and tournaments of football, cricket, kabaddi, volleyball, table-tennis, badminton, volleyball, chess, carrom etc.

College Life:

- Phoenix-The Official Tech Club of NSEC ■ Eco-Cultural Club ■ Sports Club
- NSS Activities ■ Outdoor Activities

Alumni Speaks

Hashimita Sanyal

BME, 2013
Ph.D. Scholar-University
of Teramo, Italy

"I would always remain grateful to Netaji Subhash Engineering College for nurturing me with multi dimensional learning scope encompassing academics, industry exposure, attitude and leadership skills."

Arnab Baral

IT, 2005
Telecom Expert
Infosys, Australia

"A strong structure can only be built on a strong foundation. My years in NSEC has helped me carving my foundation reflecting back my identity as an Achiever in the global scenario."

Ananya Dass

CSE, 2011
Lecturer, CS Department,
New Jersey
Institute of Technology
USA

"I am glad to call myself an alumnus of Netaji Subhash Engineering College, as this institution gave me the right platform to ascend the rising stairs of growing success"

Nilanjan Mitra

IT, 2003
DIRECTOR,
Cognizent

"Being a part of the second batch of NSEC it seems like yesterday when I look back and reflect on the kind of impact our college has had in shaping me as a person and my career. I am proud to have been nurtured within its boundaries and feel elated when I see young and brilliant minds getting mentored and ready to conquer the world"

Ayan Karmakar

ECE - 2005
Scientist,
Semiconductor
Laboratory,
Dept. of Space,
Govt. of India

"It is a perfect adobe for not only academic activity but for overall development of one's personality. Proud to be an NSEC Alumni"

Dr. Indranil Chatterjee

ECE, 2008
Scientist, AIRBUS, Germany
Formerly Reliability scientist
in Centre for Device
Thermography and Reliability
(CDTR), University
of Bristol, UK.

"NSEC has always played a pivotal point in my career. I feel blessed to be a part of this academic institution which helped me not only to realise my career goals but also accomplish my professional excellence"

Students' Testimonials of 2019 Passout Batch

Basabdatta Chaudhury, Department: CSE
Microsoft Corporation

Salary: 10 Lakhs/annum

"Getting placed in the dream company is a delightful experience itself. My heart full of appreciation and gratitude for my college to present me with such a wonderful placement experience and all the support received for achieving this."

SOUMYA ROY, Department: ME
SANMAR GROUP

Salary: 4 Lakhs/annum

"Professors are very supportive. The college has arranged several training sessions (Ansys, Vocational Training at BOSCH Ltd.) to groom us with the skill sets that are in high demand in the market."

POULAMI DAS, Department: ECE
ROBERT BOSCH

Salary: 5 Lakhs/annum

"All members of T&P Cell are really very help ful for placement purpose...They guided me a lot."

RADHA KUMARI, Department: CSE
TVS Motor

Salary: 5.50 Lakhs/annum

"Feelings were very good. College organised aptitude, technical, HR and Personal development training for placement because of that we also do better in our campaign."

NEHA KUMARI, Department: CSE
OPENTEXT

Salary: 7 Lakhs/annum

"It was the great experience in the college's environment of learning."

SHREYASHI SAHA, Department: IT
CERNER

Salary: 6 Lakhs/annum

"I believe my college has made sufficient effort to get majority students placed in renowned companies and has also helped us sharpen our skills via industrial training and conducting mock aptitude and coding tests during the placement season."

RAJARSHI SAHA, Department: ECE
INTEL CORPORATION

Salary: 10 Lakhs/annum

"Got help from training and placement cell when it really mattered."

SUDIP BANIK Department: BME
MEDTRONIC

Salary: 6.5 Lakhs/annum

"NSEC placement cell has helped me to achieve my goals by bringing this great opportunity for internship in Medtronic."

VIPUL KUMAR, Department: CSE
TCS DIGITAL

Salary: 7 Lakhs/annum

"Although I have got job via offcampus process , College play a very important role in bringing companies in pool campusing. The guidance provided by the college for placement drives are good."

SNIGDHAJYOTI GHOSH, Department: ECE
THOUGHTWORKS

Salary: 9 Lakhs/annum

"Helpful Professors. I'm happy that I spend 4 year of my life in the college. Its impossible to write within 2 lines."
